**MANAGER'S REPORT**

Manager Julesgard's report was mailed for Directors to review. He reported the Friends of the Missouri are working on promoting activities along the river such as the Cardboard Boat Races. The Bazile Area Winter Informational Meeting will be held March 13<sup>th</sup> from 10:00-3:00 at the Osmond City Auditorium. A meeting was held with Phil Steinkamp the coordinator to review expectations of his position and to be sure he is meeting the obligations within the NRCS agreement. (Naprstek entered at 1:05 P.M.) The UNL Extension position will be offered to Jeremy Milander. A meeting will be held at the G & P Office in Lincoln on March 25<sup>th</sup> to discuss if a sediment mobilization study is needed. Nothing has been heard on the surface water appropriation issue. (Klawitter entered at 1:16 P.M.) Spencer Dam flow and sedimentation was discussed. The application for the Water Sustainability Funds will be discussed also on the 25<sup>th</sup>.

**WATER RESOURCES COORDINATOR REPORT**

Wade's report was mailed prior to the meeting. He thanked the directors who attended the Hearing for attending. 10 constituents attended along with 4 staff and directors. 2018 Clearing House data has been submitted. Wade mentioned interest in Ray Ward from WARD Laboratories presentation at UENRD Nitrogen Certification class. He will be speaking at the Bazile Winter Informational Meeting. The letter has been received informing us the Environmental Grant Application has been approved and he will need to attend a seminar in early April to receive the grant contract. The Central Plains Irrigation Conference he attended revealed there is an endless amount of information and technology available. Wade plans to attend the Nitrogen Certification class in Creighton on the 12<sup>th</sup> and his Nitrogen Certification class will be here in the office on the 14<sup>th</sup>.

**PROGRAMS ASSISTANT**

Connie's report was also mailed prior to the meeting. She reported she was able to get the John Shald acre certification this past month. The other individual is still an issue. She has sent letters to the schools for class presentations and has heard back from one school already.

**ASSOCIATION REPORT**

Wendt reported it seems bills of interest to the NRDs are in committee. She will have more information to report next month after the NARD meeting in Lincoln on the 11<sup>th</sup>.

**AGENCY REPORTS**

NRCS—Jim's report was mailed prior to the meeting. Jim indicated they are awaiting word to be able to obligate EQIP contracts. There are not a lot of significant changes in the new farm bill. There will be a new tool used for ranking EQIP contracts called CART. CRP acreage cap gradually increases to 27 million by 2023 and the rental rates will change. The Quality Assurance Review is currently underway at the Spencer Office.

Niobrara Council—No report

NE RC&D—No report

North Central RC&D—No report

Friends of the Missouri—reported earlier in the meeting.

MSAC-no meeting has been held.
