FOR IMMEDIATE RELEASE

Lower Niobrara NRD Appoints New Director for Subdistrict 5

The Lower Niobrara Natural Resources District (LNNRD) has appointed Brett Fuchtman of Creighton to serve as the Subdistrict 5 Director, following the recent resignation of former director Ray Naprstek in October.

Fuchtman was appointed by the LNNRD Board of Directors at its December 1 meeting after reviewing letters of interest from eligible applicants residing within Subdistrict 5. He will serve in this role until the first Thursday after the first Tuesday in January next succeeding the next regular general election, when a director will be elected to fill the remainder of the unexpired term.

"We are pleased to welcome Brett to the Board," said Wade Ellwanger, LNNRD General Manager. "His perspective as a local landowner and community member will be a valuable addition to our discussions and decisions moving forward."

The LNNRD is responsible for protecting, managing, and enhancing the water and natural resources across portions of Boyd, Holt, Keya Paha, Knox, and Rock Counties through locally led programs and policies.

For questions about the appointment or the role of the Board of Directors, please contact the LNNRD office at 402-775-2343 or email lnnrd@lnnrd.org.
