

Communications, Marketing & Digital Media Intern

Program Overview:

This internship gives High School/College students experience in communication, marketing, and public outreach. Interns will help share the work of LNNRD through social media, website updates, and community engagement.

Responsibilities:

- Assist with social media posts and content creation
- Help update and maintain the LNNRD website
- Create flyers, graphics, and outreach materials
- Support promotion of events, programs, and deadlines
- Assist with newsletters, press releases, and general communications

What You'll Learn:

- Social media and digital communication skills
- Website management and content creation
- Public outreach and community engagement

Requirements:

- Interest in communications, marketing, or technology
- Strong writing and organizational skills
- Willingness to learn and take initiative

Position Details:

- Flexible schedule (Summer or Part-Time)
- Hourly wage
